

One Journey: Many Paths to the Future

Join the journey as three cytotechnologists share personal stories of pathways that led from cytotechnologist to their current position.

The stories embedded throughout the program will illustrate how opportunities and challenges encountered along their paths were embraced, and how these experiences helped to define a successful future. You'll gain insights into the values, behaviors and job skills that helped advance their careers, and can enlighten the path to your future.

"I liked the variety of topic talks integrated with 'my story' sessions. I felt the level of expertise was superior to all previous ASCP & ASC events I've attended. It surpassed my expectations of material review and introduced new career possibilities."

— 2016 Attendee

"This conference was packed with relevant information presented by excellent, passionate speakers. I was very interested to learn how the job of the cytotech is changing and evolving with the advances that are being developed. The new things I learned I will bring back to my job."

— 2016 Attendee

Continuing Medical Education (CME) Statement
The American Society of Cytopathology is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The American Society of Cytopathology designates this live educational activity for a maximum of 12.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Continuing Medical Laboratory Education (CMLE)
The ASC designates this activity for a maximum of 12.25 Continuing Medical Laboratory Education (CMLE) credit hours for non-physicians. The CMLE credit hours meet the continuing education requirements for the ASCP Board of Registry Certification Maintenance Program. Participants should claim only the credit commensurate with the extent of their participation in the activity.

Cytotechnologists with Licenses in Florida and California
This program is approved for 12.25 continuing education credits in the State of Florida and 12.25 in the State of California. The credit on each link is good for three years from the live presentation date.

Are You Prepared to Meet Future Demands for Cytotechnologists?

"At its core, ACE is structured to bring advanced cytopathology topics to regional areas based on current and emerging needs."

Join us for a dynamic educational course designed to help enhance your knowledge and skills in advanced cytopathology practice.

THE FUTURE OF CYTOPATHOLOGY IS HERE!

Expand your skills to be adaptable in this ever-changing industry.

Cytotechnologists across the country are experiencing a shift in professional practice. As the role of cytotechnologists continues to evolve, developing and enhancing new skills will be imperative to meet the growing demands of the field. This is the very reason we developed the Advanced Cytopathology Education Program (ACE).

ACE is a two-day educational program created to assist you in refining, expanding and strengthening your skills, providing you a proactive way to navigate your journey through the changing profession and to assure you remain an integral part of the laboratory team.

ACE will cover the current and future Cytopathology changes and developments with:

- ▶ Highly comprehensive and customized educational sessions to enhance diagnostic techniques
- ▶ Engaging and interactive educational strategies
- ▶ A dynamic, world-renowned faculty
- ▶ Fellow cytotechnologists sharing professional growth experiences
- ▶ A professional and practice trends Q&A with cytology thought leaders

Primary audience: cytotechnologists, cytotechnology students, cytopathologists, pathology residents, and cytopathology fellows.

SATURDAY, MAY 13, 2017

7:00 am – 8:00 am	Breakfast and Networking (<i>with Vendors</i>)
8:00 am – 8:05 am	Welcome & Program Overview <i>Patricia G. Wasserman, MD</i> Columbia University Medical Center, New York, New York
<i>Morning Moderator: Patricia G. Wasserman, MD</i>	
8:05 am – 8:20 am	One Journey: Many Paths to the Future <i>My Winding Path – I Could've Never Imagined Where It Would Lead!</i> <i>Kalyani Naik, MS, SCT(ASCP)</i> Michigan Medicine, Ann Arbor, Michigan
8:20 am – 9:20 am	Pulmonary Cytopathology-Overview with Emphasis on Diagnostic Challenges and Recent Updates <i>Manon Auger, MD, FRCP(C)</i> McGill University Health Center, Montreal, Quebec, Canada
9:20 am – 10:20 am	Telecytology for ROSE <i>Oscar Lin, MD, PhD</i> <i>Dorota E. Rudomina, MBA, CT(ASCP)</i> Memorial Sloan-Kettering Cancer Center, New York, New York
10:20 am – 10:40 am	Break with Vendors
10:45 am – 12:00 pm	Management Workshops (<i>During registration, please select which workshop you would like to attend</i>)
Workshop # 1	Making Sense of Competency Assessment <i>Lynnette Savaloja Pineault, MBA, SCT(ASCP)</i> Regions Hospital, Saint Paul, Minnesota <i>Maria A. Friedlander, MPA, CT(ASCP)^{CM}</i> Memorial Sloan-Kettering Cancer Center, New York, New York
Workshop # 2	Unannounced But Not Unexpected - Maintaining Inspection Readiness <i>Janie Roberson, BS, SCT(ASCP)CMIAC</i> University of Alabama, Birmingham, Alabama <i>Barbara A. Crothers, DO</i> Walter Reed National Military Medical Center, Bethesda, Maryland
12:00 pm – 1:00 pm	Lunch with the Faculty (<i>An opportunity to interact with ACE Faculty</i>)
<i>Afternoon Moderator: Kalyani Naik, MS, SCT(ASCP)</i>	
1:00 pm – 1:15 pm	One Journey: Many Paths to the Future <i>My Path to Pathology Operations</i> <i>Lynnette Savaloja Pineault, MBA, SCT(ASCP)^{CM}</i> Regions Hospital, Saint Paul, Minnesota
1:15 pm – 2:15 pm	Cytologic Diagnosis and Testing for HPV in Head and Neck Cancer: What You Need to Know <i>William C. Faquin, MD, PhD</i> Massachusetts General Hospital, Boston, Massachusetts

2:15 pm – 3:15 pm	Pancreatic EUS-FNA: Pragmatic Approach to Maximizing the Interaction between Cytologist and Endoscopist to Enhance Diagnostic Accuracy <i>Renu K. Virk, MD</i> <i>Tamas A. Gonda, MD</i> Columbia University Medical Center, New York, New York
3:15 pm – 3:35 pm	Break with Vendors
3:40 pm – 4:40 pm	Cell Block Interpretation <i>Liron Pantanowitz, MD</i> University of Pittsburgh Medical Center, Pittsburgh, Pennsylvania
4:40 pm – 5:40 pm	Reception with Vendors (<i>Light Hors d'Oeuvres served</i>) <i>Celebrate National Cytotechnologist Day!</i>

SUNDAY MAY 14, 2016

7:00 am – 8:00 am	Breakfast and Networking (<i>with Vendors</i>)
<i>Morning Moderator: Amber D. Donnelly, PhD, MPH, SCT(ASCP)</i>	
8:00 am – 9:00 am	Thyroid FNA and the Revised Bethesda System for Reporting Thyroid Cytopathology <i>Edmund S. Cibas, MD</i> Brigham & Women's Hospital, Boston, Massachusetts
9:00 am – 10:00 am	The Paris System for Reporting Urinary Cytology <i>Eva M. Wojcik, MD</i> Loyola University Medical Center, Maywood, Illinois
10:00 am – 10:25 am	Break with Vendors
10:30 am – 11:30 am	Molecular Diagnostics in Thoracic Cytology <i>Anjali Saqi, MD</i> Columbia University Medical Center, New York, New York
11:30 am – 11:45 am	One Journey: Many Paths to the Future <i>Pathway to Professorship</i> <i>Amber D. Donnelly PhD, MPH, SCT(ASCP)</i> University of Nebraska Medical Center, Omaha, Nebraska
11:45 am – 2:00 pm	Luncheon Discussion Workgroup Discussion on Future of Cytology – Your Questions Answered <i>Moderator: Lynnette Savaloja Pineault, MBA, SCT(ASCP)</i> <i>Edmund S. Cibas, MD</i> <i>Barbara A. Crothers, DO</i> <i>Amber D. Donnelly, PhD, MPH, SCT(ASCP)</i> <i>Maria A. Friedlander, MPA, CT(ASCP)^{CM}</i> <i>Sandra Giroux, MS, SCT(ASCP)CFIAC</i> <i>Kalyani Naik, MS, SCT(ASCP)</i> <i>Janie Roberson, BS, SCT(ASCP)^{CM}</i> <i>Eva M. Wojcik, MD</i>
2:00 pm	END of Program
